Love the graphics in this coloring book? You can grab more graphics for your own educational resources from my TpT store. Here are just a few of the ocean-themed Sets for sale!

Thank You!

Thank you for downloading this freebie from my store. This product is for PERSONAL USE only and cannot be copied, redistributed or posted for others. Please only post a link where others can download directly from my store on blogs or other social platforms.

****THIS IS NOT CLIPART****

Unlike many listings in my TpT store, this is not clipart and CANNOT be used in any way for your own products or freebies.

Please remember that creating your own coloring books for commercial use or freebies is not permitted under my TOU. This coloring book is available because it was created directly by myself, the original graphic artist.

If you like the graphics in this freebie, please check out my TpT store for other, seasonal and year-round graphic sets to create your own educational resources!

Enjoy!
