

CURRICULUM MAP 3 Y - 6 Y

Month	Week	Monthly Theme	Math Focus	Literacy Focus	STEM & Science Focus	Social Emotional Focus
August	Week 1	All About Me / Personal Discovery	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
September	Week 1	My Community / Social Connection	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
October	Week 1	Seasons and Senses / Exploring the Environment	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
November	Week 1	Friendship and Emotions / Caring for Others	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
December	Week 1	Light, Shadows, and Celebrations	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
January	Week 1	Animals and Habitats	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
February	Week 1	Professions and Teamwork	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
March	Week 1	Nature and Growth	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
April	Week 1	Planet Earth and Conservation	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
May	Week 1	Play and Imagination	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
June	Week 1	Art, Shapes, and Colors	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
July	Week 1	Traditions and Cultural Diversity	Counting and Number Recognition	Letter Recognition and Phonics	Senses and Observations	Self-Awareness and Confidence
	Week 2		Shapes and Spatial Awareness	Storytelling and Sequencing	Simple Experiments	Empathy and Sharing
	Week 3		Measuring and Comparing	Rhymes and Word Families	Nature and Living Things	Managing Emotions
	Week 4		Patterns and Sorting	Emergent Writing and Journaling	Building and Engineering	Teamwork and Responsibility
